## About Enfants d'Orient

**Enfants d'Orient** was established in 2005, for the protection and development of children on the streets and in difficult circumstances. **Enfants d'Orient** works for all round development of children by providing Shelter, Nutrition, Education, Medical and Health care, Counseling, Awareness Generation, Life Skill training & Sports Activities.

# Enfants d'Orient

## Education for Underprivileged Children

Every child needs access to a quality education to equip them with essential skills to earn a living and make informed decisions. Educated people are better able to weather difficult times and contribute to the development of society than those without formal education. Every child needs access to a quality education to equip them with essential skills to earn a living and make informed decisions.
